The best tour of my life

We had a wonderful time in Nepal. Together with my family, we visited Kathmandu, Pokhara, Lumbini, and Chitwan. It was recommended to me by one of my friends from Australia who had already seen Mount Everest. We booked our tour almost at the last minute and moved. When we met Mr. Kishor, he explained everything about our program. The following day we did the Everest mountain flight tour. It was a great moment for my family because we saw Everest for the first time with our own eyes. Then we visited Kathmandu, Pokhara, Lumbini, and Chitwan.

During our visit, we enjoyed exploring many Hindu temples, Buddhist stupas, ancient palaces, beautiful views of the Mountains in Pokhara, magnificent lakes, historical places, cultural facts, friendly people, some wild animals in Chitwan National Park, etc. Mr. Nabin was our guide throughout the tour. He was a professional and knowledgeable guide. There was no problem at all, and we enjoyed every moment in Nepal. Thanks again to all Nepal Tour & Trekking Service P. Ltd team for arranging a great trip in Nepal for my family. Of course, I will recommend you to my friends traveling to Nepal.
