We have visited many places in Nepal with Nepal Tour and trekking service P. Ltd. It was a very enjoyable visit. We visited the UNESCO World Heritage sites in Kathmandu, such as Pasupatinath temple, Bouddhanath stupa, Swyambunath stupa, and Kathmandu Durbar squares. We learned a lot about the history and culture of Nepal. Afterward, we visit Chitwan national park which was amazing. I enjoyed the elephant safari and canoeing. I also got to see the one-horned rhino. After Chitwan, we visited the city of Pokhara, where I enjoyed a boat ride and

went to temples and caves. The trip was organized very well, I am very grateful to them.

An unforgettable trip to Kathmandu, Chitwan, and Pokhara!

Recently, We had a Himalayan Excursion Nepal 10 days trip. Mukesh organized the trip very conscientiously and showed us Kathmandu, Chitwan, and Lumbini. He provided us with a good SUV, a very good driver, and always good tour guides. He arranged excellent hotels for us where we could eat well. He made sure we were well looked after and gave us all his personal touch.

Personal touch. He is very professional and down to earth and I would have no hesitation in recommending him for a visit to Nepal. Many thanks' to Himalayan Excursion Nepal and their team.
